              Sunday 30th : 6.45 - 7.45pm  
Venue:       The **'the hub'** next to the Tiny Tea Tent.

Artists selected will have approx 20 minutes to present their work. We will use a high resolution data projector for digital slideshows or short films on DVD. To set these up please send us your CD or DVD with the following information by Monday 03 August 09:

1. Jpegs of all your still images to be shown on the night; numbered to indicate their running order. Please constrain image size to approx' 28.5x21.5cm; RGB; 200dpi. (Images are projected from an Apple iBook with an aspect ratio of 1024x768 dots resolution). You can show any number of images / bodies of work that indicate your development or alternatively one project in progress. Please do not loop films or moving images on DVD's.
2. Your CV.
3. A brief artist's statement that might contextualize your work and practice.
4. A couple of sentences (60-70 words) which the Chair can use as your brief introduction.
5. Please state any preferred date or if your dates are flexible.
6. A SAE if you'd like your CD / DVD returned.
7. And finally, confirmation that you're happy for us to select one of your images, use your intro text and post your participation on the GB website.

Please email if you need any clarifications or further information.

All good wishes
