----------	---------------------------------------	--	----------	----------	---------------

Starred talks (\*) are sadly not available for a number of reasons, including issues beyond our control and the fact some talks included group discussions based around the audience's individual experiences. As we cannot obtain the consent for these audience members, we cannot make those talks available.

Talks marked with an A / Advisory Warning:

Please note, this recording contains issues that some people may find distressing or not suitable for younger listeners.

Talks marked with an E / Explicit Content Warning:

Please note, this recording contains language that some people may find offensive.

Talks marked with a C / These have been edited to remove material for which we don't hold the permissions to distribute.
