

## Photos of the speaker(s).

3 or 4 from various angles would be perfect. If there are multiple speakers, together and apart.

**Photos with GB signage/logos in the background.**

**Creative shots !**  
If you're feeling it – try some different angles and capturing the audience

**Photos of the venue.**  
For each speaker/event to show attendance and venue.  
- wide angle/zoom out.  
- hold phone higher than eye level.
